Corrections:

*Students will correct any grade below a 70. A majority of these corrections will be completed during study hall, but may come home for homework. Grade for corrections will be determined by the total number of correct answers.

*Late work will earn the grade posted and 10 points deducted for each day late. 2 days maximum.

*Test will be corrected and your child can take a retest. They will have to let me know when they are ready for this retest and come in before or after school to take the test. The test grades will be averaged.

Discipline:

*All classroom discipline will be addressed by the teacher your child has for that subject. Each student will be given classroom rules and regulations and parents will be contacted if necessary.
