

4th Grade News

We have been really busy diving into Math and Social Studies. Your child usually has math homework every night. They have about 20 minutes to work on it in class and it should only take them another 10 minutes at home. If your child needs extra help or needs to finish work, I will be in my classroom at 7:30 every morning except Monday and every afternoon except Friday.

Your child will be taking English/Reading six weeks tests on Wednesday. Please remember, signing your child studied the notes will get him/her extra points. Signing the test Wednesday to hand back in on Thursday gets more extra points

Your child will have a Science Test on Thursday.

Your child will be taking a math Test on Friday.
